The following QR codes and links can be used with your mobile device as you walk to the various vantage points on the campus from which you can learn about life at Mrs. Perkins’ Union College, 1895-1904. A map of all ten vantage points is included with each link, but the normal starting place is at Old Chapel. Print this page to take with you and use your mobile device either to scan the QR code or to click on the associated link. Descriptive text and images will then appear for each vantage point.
